Some of the skills that I will need to help me reach my target are:

- To be able to remember all the things I needed to do for my level 1C and 1B

When I am able to do all of these things, I will have achieved a level 1a.

I can check my progress by looking at the colours in the squares on my target card.

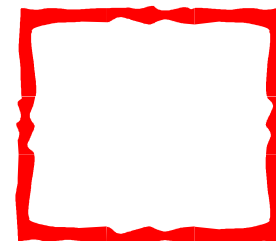

Hooray! I can do it.

Still trying.

Getting there.

## My Level 1A Maths Target Record

My main target is to use mathematics to solve problems and explain how I have solved them.
